

Lifestyle Comfort Solutions COVID19 Residential Safety Protocol

Lifestyle Comfort Solutions will make every reasonable effort to comply with CDC and Ohio Department of Health guidelines in force at the time we visit your home.

When Scheduling a Visit:

Members of the public requesting service will be asked to self-identify any of the following:

- Symptoms consistent with Covid19: fever over 100.4, severe coughing, shortness of breath
- International travel within the last 14 days
- Member of household asked to self-quarantine due to possible Covid19 exposure

When a scheduled visit is not completed within 7 days, Lifestyle Comfort Solutions reserves the right to re-check health information. Lifestyle Comfort Solutions will not maintain health information in any form.

While Visiting Your Home:

- Maintain a 6" distance as much as possible
- Ask customers to provide open entry into areas of the home.
- Use face coverings as required by Ohio Department of Health Orders
- Use fresh, clean shoe covers when entering each home
- Use fresh, clean latex gloves when permitted by the task to be performed.

Lifestyle Comfort Solutions accepts these forms of payment: Cash, Check, Credit/Debit Card
